Afghanistan Aftermath Of 9 11
The September 11 attacks transformed the first term of President George W. Bush and led to what he has called the Global War on Terrorism. The accuracy of describing it as a “war” and the political motivations and consequences are the topic of strenuous debate. The U.S. government increased military operations, economic measures and political pressure on groups it accused of being terrorists...

Aftermath of the September 11 attacks - Wikipedia
The post-9/11 period is the time after the September 11, 2001 terrorist attacks, characterized by heightened suspicion of non-Americans in the United States, increased government efforts to address terrorism, and a more aggressive American foreign policy

Post-9/11 - Wikipedia
Clear, blue skies greeted air travelers on the morning of September 11, 2001. But those skies were more heavily trafficked than we were originally led to believe, according to the documentary 9/11 War Games.
