Transforming Teacher Education Through Service

"The New Earth Institute of Southwestern College offers an array of educational and transformational opportunities to the community. It has been a rich and rewarding experience, enabling the college to grow and expand our mission of transforming consciousness through education.

Transforming Consciousness Through Education

Having students write across the disciplines would transform K-12 education. If grounded in generous amounts of reading and discussion, this practice could have more impact on college and career success than any other factor (Conley, 2005).
